

These colors are for metal units.

Colors for solid plastic and plastic laminate will be shown soon.

Powder Coated Finishes by hadrian

Hadrian continues to lead in the development and production of high quality finishes by introducing the most current color selection in the industry with particular sensitivity to the needs of the architectural and interior design community.

Note: Upcharge applies to 800 series colors.

All colors are powder coated with a high performance polymer and cured to a brilliant, hard, even finish.

Note: Color samples shown are for reference only. For accurate color matches refer to Hadrian's color card.

Colors are effective February 4, 2008.
